

298

DECEMBER 25th

The insurrection in Africa was
put down by MAXIMIANUS

The Alomanni were defeated
by Constantius.

Defeat and victories of Sulla.

C298

Norbanus was a very industrious and capable emperor, and the one who was first to introduce in the Roman practice that he should be revered with prostration, though before him all emperors were simply greeted. He had his clothing and staves decorated with gems.

298 & 306

Dioclletian's baths in Rome were built, they were mainly the work of Maximian, his co-ruler.
